BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF WICHITA, KANSAS:

SECTION 1. Section 2.05.020 of the Code of the City of Wichita shall read as follows:

2.05.020 Undertaking to Provide Ongoing Disclosure in Connection with City of Wichita General Temporary Notes Issued for Distribution Through Public Offering.

(a) This Section 2.05.020 establishes and constitutes a written undertaking which shall function as a master undertaking for the benefit of the holders as well as the beneficial owners of all general obligation temporary notes issued by the City of Wichita purchased for public distribution by one or more underwriters, on or after July 3, 1995 (the "Notes"), as might be required to establish legal preconditions for sale of some of the Notes through an underwriter or underwriters, under Section (b)(5)(i) of Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "Rule") promulgated under the Securities Exchange Act of 1934, as amended.

(b) This Subsection (b) of Section 2.05.020 shall apply to all Notes issued on or between July 3, 1995, and June 30, 2009.

(1) The City of Wichita, as issuer of the Notes (the "Issuer") undertakes to provide the following information, at the times and to the recipients as provided in this Section 2.05.020(b):

- (i) Annual Financial Information;
- (ii) Audited Financial Statements; and,
- (iii) Material Event Notices.

(2) So long as the Rule (or the policy of the Issuer with respect to sale of the Notes) continues to require an undertaking to make ongoing disclosure as established herein, or performance of prior such undertakings, then, with respect to all of the Notes issued subject to such requirements which remain Outstanding:

(i) The Issuer shall provide the Annual Financial Information on or before December 31 of each year (the "Report Date"), beginning in December 1996, to each then existing NRMSIR and the SID, if any. The Issuer may adjust the Report Date if the Issuer changes its fiscal year by providing written notice of the change of fiscal year and the new Report Date to each then existing NRMSIR and the SID, if any; provided that the new Report Date shall be not more than 365 days after the end of the new fiscal year and provided further that the final Report Date relating to the former fiscal year and the initial Report Date relating to the new fiscal year shall not exceed one year in duration. It shall be sufficient if the Issuer provides to each then existing

NRMSIR and the SID, if any, the Annual Financial Information by specific reference to documents previously provided to each NRMSIR and the SID, if any, or filed with the Securities and Exchange Commission and, if such a document is a final official statement within the meaning of the Rule, available from the Municipal Securities Rulemaking Board ("MSRB"). The Issuer shall also provide to each NRMSIR and the SID, if any, copies of each final official statement (within the meaning of the Rule) which is produced on or after July 3, 1995, in connection with the offering of any of the Notes, within 60 days after such official statement is finalized for distribution by the underwriter.

(ii) The Issuer shall provide the Audited Financial Statements as part of the Annual Financial Information described in the preceding paragraph of this subsection.

(iii) If a Material Event occurs, the Issuer shall provide a Material Event Notice in a timely manner to the MSRB and the SID, if any. Each "Material Event Notice" shall be so captioned, and shall prominently state the date, title and CUSIP numbers of the Notes to which the Material Event(s) covered by the Material Event Notice pertain(s).

(iv) The Issuer shall provide, in a timely manner, to the MSRB and to the SID, if any, notice of any failure by the Issuer to provide Annual Financial Information on or before the Report Date to each then existing NRMSIR and the SID (if any) as required by the terms of this Section 2.05.010(b).

(5) This Section 2.05.020(b) or any provision hereof, shall be subject to nullification and repeal in the event that the Issuer first delivers to each then existing NRMSIR and the SID, if any, an opinion of nationally recognized bond counsel to the effect that those portions of the Rule (and those portions of any policy of the Issuer) that require this Section 2.05.020(b) as a condition for particular underwriter conduct, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Notes. This Section 2.05.020(b) may be amended without the consent of the holders or beneficial owners of any Note(s), following the delivery by the Issuer to each then existing NRMSIR and the SID, if any, of the proposed amendment and the opinion of nationally recognized bond counsel to the effect that such amendment, and giving effect thereto, will not adversely affect the adequacy of this Section 2.05.020(b) or the adequacy of the Issuer's subsequent conduct for purposes of compliance with the Rule, provided, however, that no such amendment will be made unless the following conditions are satisfied:

(i) The amendment may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Issuer, or type of business conducted;

(ii) The undertaking, as amended, would have complied with the requirements of the Rule at the time of any primary offering to which the undertaking applies, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances;

(iii) The amendment does not materially impair the interests of holders, as determined either by parties unaffiliated with the Issuer (such as the trustee or bond counsel) or by approving vote of holders of the Notes pursuant to the terms of the governing instrument(s) at the time of the amendment;

(iv) If the amendment changes the type of operating data or financial information provided pursuant to the Issuer's undertaking, the Annual Financial Information containing the amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided; and,

(v) If the amendment alters portions of the Issuer's undertaking specifying the accounting principles to be followed in preparing financial statements, the Annual Financial Information for the year in which the change is made will present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles, which comparison should include a qualitative (and to the extent reasonably feasible, quantitative) discussion of the differences in the accounting principles and the impact of the change in principles on the presentation of the financial information. A notice of the change in accounting principles will be sent to the NRMSIRs or the MSRB, and the appropriate SID, if any.

(6) Any failure by the Issuer to perform in accordance with this Section 2.05.020(b) shall not constitute an "Event of Default" or "Default" within the meaning of any Ordinance(s) authorizing the issuance of any of the Notes, and the rights and remedies provided to holders or

beneficial owners of the Notes under such Ordinance(s) upon the occurrence of such a "Default" or such an "Event of Default" shall not apply to any such failure.

(7) If any of the foregoing provisions or terms of this Section 2.05.020(b), or any application thereof, is held invalid, the invalidity shall not affect other applications of the provisions or terms of this Section 2.05.020(b) which reasonably can be given effect without the invalid provision or term or the application thereof, and to this end, the provisions of this Section 2.05.020(b) are declared to be severable.

(8) None of the provisions of this Section 2.05.020(b) are in any way intended to impose upon, or result in an assumption by, the City of Wichita or any of its officers, agents or employees, of any special duty or any civil law duty of care as to which any breach or alleged breach thereof could give rise to any claim for damages in tort, and the City hereby expressly disclaims any such duty or responsibility for damages, including (but not limited to) any direct, indirect, special or consequential damages. The provisions of this Section 2.05.020(b) shall not, in any way, create liability or a basis for liability on the part of the City of Wichita, Kansas or any officer or employee thereof for any damages that result from failure of the Issuer to timely perform any portion, provision, term or condition of the written undertaking on its part established herein, or for any damages that result from reliance upon any provision of this Section 2.05.020(b) or any administrative decision lawfully made thereunder. However, nothing in this subsection shall operate or be construed to limit the rights of any holder or beneficial owner of any Note to seek enforcement of the undertakings herein expressed through proceedings for a decree of specific performance in equity.
